

## HKHS International Housing Conference 2018

2-3 November 2018 | Hong Kong

Established in 1948, the Hong Kong Housing Society has been playing the role of “housing laboratory” and pioneered various initiatives to help solve the housing problems in response to the changing needs of Hong Kong people at different times.

This International Housing Conference is organised in celebration of HKHS’s 70th anniversary and provides an excellent opportunity for Hong Kong and overseas delegates to exchange valuable insights and experiences on the subjects of elderly housing, sustainable development and liveable cities.
