Conference overview

The world is undergoing a technological revolution that has disrupted every facet of human activity, and the built environment. Technology has transformed the way properties are constructed, managed and utilised.

Jointly organised by RICS and the Smart City Consortium (SCC), this conference will focus on enabling the property sector to stay ahead of these seismic changes by looking at how technology impacts the way industry must operate, and what the future holds.

Featured speakers

Mr James Kavanagh MRICS

Global Land Standards Director, RICS

Mr Ed Parsons

Geospatial Technologist, Google

Dr Winnie Tang

Founder and Honorary President, Smart City Consortium

Dr Sean Tompkins

Chief Executive Officer, RICS.
