## **COLLABORATING ORGANISATIONS**

(in no particular order)

**Retro-Commissioning (RCx)** is a systematic and cost-effective approach to review the energy performance of a building, and hence help identify areas of optimisation on reducing energy and improving indoor environments. In this conference, RCx experts from different countries or regions will share the latest practices and experience in implementing RCx.

**Free of Charge**

**REGISTRATION**  
please scan/click the QR  
code to register online on  
or before 24 Sep 2021
