## Symposium on Smart Technology | Splendid Facility cum Excellence in Facility Management Award (EFMA) 2022 Official Launch Ceremony

The Hong Kong Institute of Facility Management (HKIFM) would like to invite all individuals and facility management teams to attend the “**Symposium on Smart Technology | Splendid Facility cum EFMA 2022 Official Launch Ceremony**”. This year’s theme is “**Smart Technology | Splendid Facility**”, which emphasizes how innovative technologies can help enhance overall management service for nominated Facility projects. Accordingly, Dr. Chan Man Wai, the Founding President of the HKIFM, and the EFMA 2021 Grand Award Winners (Grand YOHO and Harbour Glory) are invited to share their insights on Smart technology related to Facility Management. Also, award categories and judging process will be presented at the briefing session.

### About EFMA 2022

With a view to promoting the facility management profession and recognizing the excellence in performance of delivering quality service to local and overseas facilities, The Hong Kong Institute of Facility Management (HKIFM) is proud to present the EXCELLENCE IN FACILITY MANAGEMENT AWARD (EFMA) to individual organizations and service providers of specialized sectors with outstanding achievements.

To align with our theme, “**Smart Technology | Splendid Facility**”, the Theme Award would be granted to those organizations with excellent performance in this specific area for Year 2022.
