Visit to Discovery Bay (26 May 2007)

Situated on the north-eastern coast of Lantau Island in the New Territories, DB is a hideaway for over 16,000 local and expatriate residents from the hectic buzz of city life in Hong Kong, with a huge range of amenities including a man-made beach at Tai Pak Wan, four recreational clubs including a 27-hole golf course, a marina and extensive sports facilities. In the spirit of environmentalism and aesthetics, the development is also meticulously landscaped and developed to preserve the natural landscape of Lantau.
