Attn: Mr. Sanford Poon

Dear Mr. Poon,

Re: Wu Zhi Qiao (Bridge to China) Charitable Foundation

We are writing you on behalf of Wu Zhi Qiao (Bridge to China) Charitable Foundation. Our mission is to integrate Hong Kong into Mainland China by encouraging young generations to help the needy in the motherland, thereby building a spiritual bridge with love, appreciation and mutual understanding through inter-university initiatives. As a Hong Kong registered charity (Charity No: 91/8739), our operations are fully supported by donations from caring corporations and individuals.

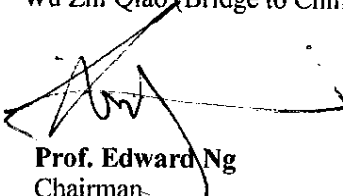

The Foundation has mobilised more than 330 volunteers while completing approximately one dozen bridge projects in Shaanxi, Sichuan, Gansu, Guizhou and Yunnan. The Foundation has benefited a substantial number of villages comprising more than 10,000 residents since its inauguration in 2007. In 2010, Wu Zhi Qiao looks forward to developing more projects in Yunnan and Sichuan.

Your help with our efforts are crucial for further development and will go a long way towards making our bridge causes a reality. Your support, whether in terms of donation or manpower, will mean a lot to our young volunteers and certainly to the needy from poor and remote areas in the Mainland whom they assist.

We would greatly appreciate a donation from your Association. Likewise, we would be grateful for an opportunity to introduce our bridge cause to your fellow members.

Thank you for considering our request. If you have any enquiries or need further information, please feel free to contact the Foundation's secretariat at 2696-1162.

Yours faithfully,
For and on behalf of
Wu Zhi Qiao (Bridge to China) Charitable Foundation

Prof. Edward Ng
