CPD HOURS
Accredited by CIHAPB / IDRRMI

ISCM is proudly to invite Sino Group to introduce Sino Inno Lab.

Launched by Sino Group in 2018, Sino Inno Lab is designed to support Hong Kong's innovation & technology ecosystem by providing a sandbox platform for start-ups, inventors and technology companies from Hong Kong and overseas to test out their innovations for applications in property technology (PropTech).

The Lab showcases diverse, cutting-edge, innovative products and solutions that can be applied to hotels, residences, shopping malls, property management and construction to enhance services, enrich customers' experience, improve efficiency and explore new opportunities in smart living, creating a smarter community. At the Lab, we have:

1. Hotel Guest Room Zone with tech retrofitted to enhance user experience;

2. Residential Apartment Zone on trial of projection mapping solution/marketing tool for interior design;

3. Green and Sustainable Zone on trial of filtration/sanitization tech and upcycling tech

4. AI and Robotic Zone for virtual AI gym coach for personal training, a range of robotics application for disinfection, customer service and etc.

5. IoT applications platform for indoor air quality monitoring, rubbish bin monitoring, energy consumption, etc.

6. Security/access control zone on trial of technology for mobile key, dynamic PIN system and palmprint/vein access system
