

The Hong Kong Institute of Facility Management

(CPD20250226) CPD Seminar “Painting Series - Advanced, eco-friendly and cost effective costing system for external building maintenance and new built project”

Date: 26 February 2025 (Wednesday)
Time: 7:00 pm - 8:30pm
Mode: Hybrid mode
Venue (Physical): Room 204, 2/F., Gratia Christian College, 5 Wai Chi Street, Shek Kip Mei, Kowloon.
CPD Hour: 1.5 Points
Language: Cantonese supplemented by English

This is an Official and Core activity related to Professional Practices under the CPD Scheme of the Property Management Services Authority. Holders of Property Management Practitioner Licence may receive a maximum of 1.5 CPD hours by participating in the activity/ course.

Speaker: Ms. Michelle TSANG, Senior General Manager, SKK (H.K.) Co., Ltd.

Ms. Michelle TSANG, has established and developed her experience in Paint Service Industry and Construction Field for more than 25 years. She has handled and developed her experience in both renovation and new built sectors and obtained many experiences in dealing with corporate clients about their renovation needs. She also participated in some famous, prestige large scale projects and new build development such as Airport Third Runway, Disneyland, Asia World Expo, Kai Tak Cruise Terminal Hong Kong, Jockey Club's projects and Shun Tak Centre etc.

Apart from handling projects, Michelle has also been invited to be speaker of seminar and workshop for different associations like the Hong Kong Institute of Surveyors, The Chartered Institute of Building, The Hong Kong Institute of Clerks of Works, The Hong Kong Institute of Construction Managers and lecturer in educational institution e.g. THEi.

Background

Painting systems are very important in both New Building project and Renovation project. The seminar is to enhance the applicability and understanding of advanced coating systems like pre-fabricated sheet typed coating system, stone-like texture coating, low VOC type coating, which are the most popular systems for both maintenance of external wall and new buildings to achieve cost saving, safety, wellness and value-added benefits and purpose.

This Seminar will cover:

- ◆ The knowledge of painting system
- ◆ Design of coating specification for various uses of building
- ◆ How to achieve cost saving for building rehabilitation and new build projects
- ◆ Techniques in designing stage of project
