## Pathways to Carbon Neutrality:

Realising ESG and Sustainable Built Environment

### Supporting Organisations

The Supporting Organisations are listed in alphabetical order

**BEAM Society 15th Anniversary Celebration**  
**Technical Visits to BEAM Plus Platinum Project**  
24th October 2025 (Friday)

**1st Project**

**Electrical and Mechanical  
Services Department  
Headquarters Building**

**BEAM Plus Existing Buildings v3.0  
(Beta Version) – Provisional Platinum**

🕒 9:00am – 10:30am

📍 3 Kai Shing Street, Kowloon, Hong Kong

EMSD achieving BEAM Plus Existing Buildings v3.0 (Beta Version) Provisional Platinum certification – Discover how EMSD achieved the prestigious BEAM certification. This tour showcases the sustainable practices behind this success, featuring our rooftop solar panels (PV), innovative Building-Integrated Photovoltaics (BIPV), and a live demonstration of energy management in our smart Regional Digital Control Centre (RDCC).

**2nd Project**

**CLP Headquarters**

**BEAM Plus New Buildings v2.0  
– Provisional Platinum**

🕒 11:00am – 12:30pm

📍 43 Shing Kai Road, Kai Tak, Kowloon, Hong Kong

Here comes the CLP's new headquarters at Kai Tak – a showcase of sustainability, wellness, and smart design. With Provisional / Pre-certification of Platinum under BEAM Plus, LEED, and WELL, the building features district cooling, smart lighting, automated curtain, extensive use of recycled materials, and inclusive wellness amenities. It reflects CLP's commitment to environmental leadership, innovation, and creating a healthy, future-ready workplace for its people and the community.

Registration on a first-come-first served basis. Transportation will be provided from EMSD to CLP and dismiss at Kai Tak / Kowloon Tong MTR Station.
