About the Speakers

Ir K F Yee – President of BSOMES & Honorary Treasurer of HKIE-BSD

BEng(Hons), MSc(Eng), CEng, MCIBSE, MIET, MEI, MHKIE, RPE (BSS, ELL, FRE), FBSOMES, REW (CO, H0), RSO, RSA

Ir Yee is a Registered Professional Engineer in building services, electrical and fire engineering disciplines with the Hong Kong Engineers Registration Board and is a Chartered Engineer of the U.K. Engineering Council. He is the Corporate Member of the Hong Kong Institution of Engineers, the Chartered Institution of Building Services Engineers, the Institution of Engineering and Technology and the Energy Institute. Ir Yee is also a Registered Safety Officer and Registered Safety Auditor from the Labour Department.

With over 28 years of practical work experience in the engineering industry since 1981, Ir Yee is now holding a post of Chief Technical Manager of one of the listed property developers in Hong Kong and has worked for many of Hong Kong's biggest listed property companies investing in both commercial and residential buildings during his career development. Ir Yee holds a Master of Science Degree in Building Services Engineering from The University of Hong Kong and a Bachelor of Engineering (Honours) Degree in Building Services Engineering from The Hong Kong Polytechnic University. He is now serving BSOMES as President and HKIE-Building Services Division as Committee Member. He is also appointed as Part-time Lecturer of IVE and CityU-SCOPE.

.....

Ir Dr. Joseph Lai – Vice President of BSOMES

BEng(Hons), MSc(Env.Mgt.), PhD, CEng, RPE (BSS), MHKIE, MCIBSE, MASHRAE, FBSOMES

Possessing a first class honours degree in building services engineering, a master degree in environmental management and a PhD in facilities management, Joseph has over 10 years of industrial experience, which includes practising as a building services consulting engineer and as a manager in property development and building maintenance.

Joseph is now an Assistant Professor in the Department of Building Services Engineering of PolyU, mainly teaching building services design, research projects, maintenance management of built assets and legal aspects of facilities management. Besides serving as an External Examiner of a facility and property management programme, Joseph has been appointed by The Hong Kong Council for Accreditation of Academic and Vocational Qualifications as a Panel Member for accrediting property management programmes. While focussing his research on operation and maintenance, facilities economics and statutory controls on buildings, Joseph has been active in delivering invited talks, training courses and consultancy services for the industry.

.....

Ir Jonathan Lee – Activity Committee Chairman of BSOMES

BEng(Hons), MSc(BSE & FM), CEng, MCIBSE, MIMechE, MHKIE, RPE (MCL), LEED AP, MRICS, FBSOMES

Ir Jonathan Lee is a head of maintenance section in an international property development company to manage the operation and maintenance of buildings in Hong Kong and over 14 cities in the Mainland China. The managed areas including the commercial and residential buildings are over 5 millions square meters.

Jonathan is a chartered engineer in the discipline of building services engineering as well as a chartered surveyor in the professional group of facility management. With the abundant experience in O&M, he is also active in promoting green building assessment, energy savings & environmental protection for the existing buildings. He is a fellow member of BSOMES and takes up the role of activity committee chairman to organize the technical talks, training courses, visits and conference for promote the best practices & enhancement on building operation and maintenance.
