Wanchai, H.K.

Our ref: Y10-ICUMAS-INV-SUP-C9.1 - 6

Date: 30th April, 2010

Attention: Mr. Sanford POON

Dear Mr. POON,

The Second International Conference on Utility Management and Safety
(ICUMAS | 6th – 9th March 2011 | Hong Kong)
Invitation for Supporting Organizations

On behalf of the Organizing Committee of the Second International Conference on Utility Management and Safety (第二屆國際管綫管理及安全會議, ICUMAS·2011), which will be held in Hong Kong on 6th – 9th March 2011, **we sincerely invite you to be one of the ICUMAS.2011 Supporting Organizations.**

In response to the widely application of utility management and safety in the fields of Power, Petroleum, Gas, Telecom, Water, Drainage and Transportation, along with plentiful potential opportunities in Mainland China and all over the world nowadays, ICUMAS.2011 will collaborate parties from the fields of **Power, Petroleum, Gas, Telecom, Water, Drainage and Transportation**, altogether to focus on the conference theme, to exchange information and experience, to build closer business relationships, and to create a bridge for further international cooperation.

The international conference is being jointly organized by the Hong Kong Institute of Utility Specialists (**HKIUS**) and the Hong Kong Utility Research Centre (**HKURC**), with **Ir S.S. LEE, GBS, OBE, JP** (李承仕太平紳士、金紫荊星章) being the Chairman of the Organizing Committee. Up till now, the conference have confirmed support from more than 40 reputed organizations, you may refer to the attached flyer for further details.

Meanwhile, **we would be most grateful if you can promote such conference to your organization's members and encourage them to submit the abstracts (Maximum 250 words in English or Chinese).** The deadline of abstract submission is **31st May, 2010.** Details please refer to <http://hkiaus.org.hk/conference/>.

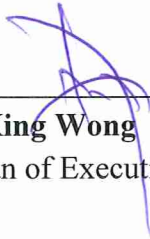

In fact, the program will feature keynote speeches by renowned industry specialists and prominent academic scholars, as well as oral and poster presentation by both academics and industry practitioners alike. It will be a highly interactive and result-oriented conference, which will include discussions, local and overseas site visits focusing on Utility Management and Safety. Besides technical activities, a wide variety of social events will be arranged for participants and their

accompanying persons to experience the unique culture, custom, economy and development in Hong Kong or other places in China.

Really appreciate for your **reply with the filled Reply Form via fax at (852)-2618 4500 or email conference@uti.hk**. For further information, please visit <http://hkiaus.org.hk/conference/> or should you have any question or enquiry, please feel free to contact Ir Dr. King Wong at (852)-6248 8999 or simply send your enquiry to conference@uti.hk.

We would like to extend our heartfelt appreciation to you and really look forward to your favorable reply.

Yours sincerely,

Ir Dr. King Wong

Chairman of Executive Committee of ICUMAS•2011
