

## Open for Nomination NOW!

Housing managers have been working behind the scene to enhance a harmonious and well-managed living and working environment for all local citizens over the years. Outstanding housing managers should be recognised and made known to a wider public. With this in mind, The Hong Kong Institute of Housing (HKIH) launched the first HKIH Elite Awards in 2020 to reward and also to recognise professionalism of our members and other industry practitioners.

By bringing together leading corporate executives, professionals and academic institutions, as well as industry leaders, the HKIH Elite Awards offers an excellent opportunity for local property management professional individuals and teams to be recognised for their achievement and contribution. In order to commend industry practitioners and their teams continually, HKIH launches the HKIH Elite Awards 2024 now.
