A Quality Credential

Quality Real Estate Services Building a Harmonious City

Urban Group is a real estate services subsidiary of the Hong Kong listed infrastructure and service conglomerate NWS Holdings Limited and the renowned real estate investments and development company New World Development Limited. The Urban brand originates from the management of Hong Kong's first large scale composite real estate development - Mei Foo Sun Chuen, in 1965. Under the visionary leadership of NWS Holdings and New World Development, together with its endeavours for over 40 years, Urban has evolved from a professional property management company into a consolidated group of companies with a portfolio of quality service brands. At present, Urban Group is one of the largest property asset and facility management groups in the region, providing its quality services to 1 million people daily.
